

Rescue is published six times a year by the Association of Gospel Rescue Missions (AGRM).

ADVERTISING SPECIFICATIONS

Digital Ads Only

Rescue is created completely electronically and is later available in PDF format. We cannot use conventional film for this process.

Digital Formats

PDF: The preferred file format for ad submissions is an Adobe Acrobat high-resolution PDF. PDFs must have fonts included.

Mac: Electronic files may be submitted in the Macintosh format using QuarkXpress, Adobe InDesign, Adobe Illustrator EPS, or Adobe Photoshop TIFF or EPS (PDFs are preferred). Please include all art and fonts (printer and screen fonts; no truetype fonts please). TIFF files must be flattened (not saved with layers). If submitting EPS files, convert all fonts to outlines and include embedded art if applicable.

PC: If you must create the ad in a PC format, we accept high resolution Adobe Photoshop TIFF and EPS formats (PDFs are preferred). TIFF files must be flattened (not in layers). If submitting EPS files, convert all fonts to outlines and include embedded art if applicable.

Digital Specifications

Images included in the file must be saved in grayscale or CMYK mode and be at least 300 ppi at 100 percent. *All ad sizes include four-color process at no additional charge.* Do not use RGB, index color, JPEG, LZW compressed graphics, or files saved as QuarkXPress EPS files.

Proofs

If submitting a QuarkXpress, InDesign, Photoshop, or Illustrator EPS file, please include a PDF (Adobe Acrobat file) made from the original program. This will assist in verifying how your ad should appear. If sending a high-resolution PDF or TIFF image, this step is not necessary.

Special Placement

The Inside Front Cover, Inside Back Cover, and Outside Back Cover spaces are sold for all six issues of each year. Please see our Special Placement guidelines at www.agrm.org > **Become a Member** > **Business** > **Advertising Opportunities (click on Special placement guidelines)**.

Insertion Orders

To reserve ad space in *Rescue*, please print, complete, and submit an insertion order (page 4). Note that the reservations deadline for the January/February issue—and thus for locking in the 6x rate for 2014—is November 15, 2013.

New and Pick-up Ads

While we encourage advertisers to “freshen” their ads regularly, we understand that some advertisers choose to run the same ad in multiple issues. Each advertiser is responsible to meet the established materials deadlines. If an advertiser commits to advertise in multiple issues and does not meet the materials deadline for a particular issue, AGRM reserves the right to pick up the most recent ad of that advertiser.

Cancellations and Changes

Cancellations, as well as changes in insertion orders, must be made in writing (e-mail or fax is acceptable) and may not be made after the reservations deadline. For policies on cover cancellations, please contact the Publications and Advertising Manager.

Liability

Advertisers and advertising agencies assume liability for all content (including text, representation and illustrations) of advertisements printed, and assume responsibility for any claims arising therefrom made against the publisher. AGRM provides limited space for advertising opportunities, services, and products to further the cause of rescue ministry. AGRM is not responsible for the claims made by its advertisers and reserves the right to select or reject any advertising, in the sole discretion of AGRM, for any or no reason.
